MID-AMERICA REGIONAL COUNCIL

Public Officials Directory

The Mid-America Regional Council is pleased to present the 2019–2020 Public Officials Directory. We hope you find this directory to be a one-stop resource to access contact information for government institutions, officials and important organizations that serve the bistate Kansas City area.

The directory lists officials in the nine-county metropolitan region served by MARC, which includes Johnson, Leavenworth, Miami and Wyandotte counties in Kansas and Cass, Clay, Jackson, Platte and Ray counties in Missouri. In addition to federal and state officials for the area, it includes information for cities, fire and emergency medical service agencies, chambers of commerce, local economic development agencies, school districts, agencies providing public transit services and news media outlets.

A PDF version of this directory is available on the MARC website at marc.org/pod.

Please contact MARC with any changes in your agency's information as they occur. We hope this directory is useful to you in your work on behalf of the Kansas City region.
